Sure is a nice cafe. Say, if you go once, you will three
times a day. Then you get the very best for what you
pay, and the kitchen is just as clean as the front. You
don't eat old dirt then go home and grunt. Now what's
the use of all this praise and talk. Just put on your hat
and come down to this place, ride or walk.

The Right Price For a Motor Car

Consider what the 1912 Everitt "Four-36" offers, and ask yourself if three times
the price will really give you (in any Four-Cylinder car) anything more than you
can use.

The size, the power, the appearance of the costliest are here; its reliability and con-
tinued efficiency has never been excelled; a positive self-starter is provided; its big
wheels, demountable rims, and chrome-nickel steel construction indicate its charac-
ter, and top, wind-shield, prest-o-lite tank and full equipment is included.

SPECIFICATIONS---1912 EVERITT FOUR-36

Wheel Base, 115 inches; Motor, four-cylinder, long stroke, cast en-bloc; bore 4-inch, stroke 4 3/4 inch;
Ignition, Dual system, magneto and batteries; Wheels and Tires, 34x4 inches; Rims, demountable; Carburetor,
Special Everitt design; Construction, Chrome-Nickel-Steel throughout; Radiator, Cellular, genuine honeycomb
type; Frame, double drop type, pressed steel, extra deep channel sections; Transmission, Selective type, three
speeds forward, and reverse; Finish, Dark Blue, with light blue striping; Equipment, complete, including Top,
Wind-shield, Speedometer and Self-Starter, and Prest-o-Lite. Price \$1500. Fully equipped.

When You Buy a Car TRY IT

We claim there is MORE REAL VALUE PER DOLLAR IN THE K-R-I-T than in any other car
on the market. MAKE US PROVE IT. Come in and see the K-R-I-T; consider its unit power plant and
powerful motor; look at the excellency, the finish and then let us take you for a ride and WE KNOW WE
CAN CONVINCE YOU OF K-R-I-T VALUE.

Remember the K-R-I-T Has Never Lost a Hill Climb

THE TEST OF SERVICE

Is what a motor car must withstand in order to obtain popularity. THE K-R-I-T HAS WITHSTOOD
THE TEST OF SERVICE. LOOK AT THE RECORD OF THIS WONDERFUL LITTLE
CAR in the 1911 Glidden Tour and other endurance runs and then consider its hill climbing abilities. En-
tered in eight climbs of national importance in the past two years IT HAS NEVER BEEN DEFEATED.
But better than all this IT HAS WITHSTOOD THE TEST OF DAY IN AND DAY OUT SERV-
ICE in the hands of thousands of owners throughout the country and then
